Professional Summary

Analytical and detail-oriented **Data Analyst** with a strong background in **data cleaning, visualization, and problem solving**. Skilled at transforming complex data into actionable insights using tools like **SQL, R, Excel, Power BI, and Tableau**. Combines an analytical mindset with a foundation in **scientific and statistical methods**, developed through both academic and project-based experience. Passionate about solving problems through data and delivering clear, data-driven solutions.

Technical Skills

Data Analysis:

Excel (advanced functions, PivotTables, data validation, scenario analysis),
SQL (queries, joins, CTEs, aggregations, data cleaning),
R (tidyverse, dplyr, janitor, data wrangling, EDA, statistical analysis)

Data Visualization:

Power BI (DAX, KPI dashboards, data modeling, interactive visuals)
Tableau (interactive dashboards, calculated fields, storytelling)
R (ggplot2 visualizations, dashboard styling, visual storytelling)
Excel (interactive charts and slicers)

Other Skills:

Problem Solving, Analytical Thinking, Data Cleaning, Insight Generation, Reporting, Dashboard Design

Languages:

Spanish (Native), English (C1 – Pearson Test of English), Valencian (C1 – Mitjà)

Education

Google Data Analytics Professional Certificate — Coursera / Google

Completed: 2025

- Comprehensive training in data analysis, cleaning, and visualization using R, SQL, Tableau, and spreadsheets.
- Developed data-driven projects applying the full data analysis process: Ask, Prepare, Process, Analyze, Share, and Act.

Bachelor's Studies in Psychology — University of Valencia

2022 – 2023

- Coursework included **Statistics** and data interpretation applied to behavioral sciences.

Bachelor's Studies in Physical Activity and Sport Sciences — *University of Valencia*
2020 – 2022

- Completed two academic years.
- Strong foundation in **Statistics**, research methodology, and performance analysis.

High School Diploma (Scientific Track) — *IES Massamagrell*
2018 – 2020

Compulsory Secondary Education (ESO) — *IES Massamagrell*
2014 – 2018

Experience

Private Tutor (Self-employed) — Massamagrell, Valencia
2019 – 2023

- Taught **high school (ESO and Bachillerato – Science track)** students in **Math, Physics, Statistics** and **English**.
 - Helped students improve problem-solving skills and academic performance.
 - Developed customized study materials to adapt to each student's learning style.
-

Projects

Data Analytics Portfolio — github.com/PabloDataAnalyst/portfolio-pablo

- Built multiple data analysis and visualization projects using **R, SQL, Power BI, Tableau**, and **Excel**.
 - Created **interactive dashboards, data wrangling pipelines**, and **descriptive reports** to uncover actionable insights.
 - Applied analytical thinking and problem-solving to transform raw data into clear, visual narratives.
-

Certifications

- **Google Data Analytics Professional Certificate** — Google / Coursera (2025)
- **English C1 Certificate** — Pearson Test of English (2021)
